And Suddenly a Door Opens

NVC Success Stories. For Marshall Rosenberg on the Occasion of his 80th Birthday

How do people come into contact with Nonviolent Communication? What are the effects NVC has had on their lives? What kind of NVC-experiences have been most touched and affected by?

These are the questions that Ingrid Holler, an NVC-trainer herself, asked some of her colleagues from home and abroad. This is a collection of their replies - stories of personal developments, resolved conflicts in the workplace, and changes in society. Stories that will touch readers, and maybe even be able to motivate them to get involved with NVC themselves. At the same time, this book is the authors' Thank You! to Marshall B.

Rosenberg, the founder of the Nonviolent Communication. It is published on the occasion of his 80th birthday on October 6th, 2014.
